EVENT DESCRIPTION:

Hear how industry can assist the Network Enterprise Technology Command/9th Signal Command (ARMY) (Better known as NETCOM) in their global mission as key leaders identify and discuss NETCOM's top priorities for today, five years out, and the future beyond that. Learn how to do business with NETCOM, and gain insight of current and future contracts. This full day's registration includes all sessions, break time refreshments, and a delicious lunch prepared by the Thunder Mountain Activity Center's Chefs.
